Public Notice

The City of Shallowater would like to give all interested parties the right to appear and be heard at the council meeting on Tuesday, the 20th of September, 2022 at 7:00 p.m. in the Police Department Training Room, 607 Ave G, Shallowater, Texas on the issue of a variance request from Bryan Lambeth at 516 Avenue T to place an 8' X 20' workshop with a 12' X 20' awning. There will be a metal roof with the highest peak at 10'4" with a 2/12 pitch.

This variance, if granted would allow the owner to build a 400 square foot structure that has a workshop and awning to be placed in the back yard of 516 Avenue T. The variance is for the size and height of the structure. The plans meet all other required setbacks. Any questions or concerns may be directed to City Hall, 806-696-4300.
