OVER 50, 000 GALLONS YOU ADD \$10.00 PER 1,000 GALLONS				
*Commercial bills were calculated with one can picked up once a week.				
Your current garbage rates are the same. To calculate your bill if you have				
more than one can and or multiple pick ups per week subtract \$36.64 from the				
Total Commercial Bill and add your current garbage rate and tax to bill, if you have				
questions please contact City Hall.				
Sewer charges were included.				
Charges based on single meter addresses. If you have multiple meters additional fees				
will be applied.
